## TESOL Foundation

Choose TESOL for Children to focus on teaching English to young learners

**Foundation Programs** include Advanced TESOL Certification, and a specialty course or your choice.

Choose TESOL for Business to focus on teaching English to professionals.

## Summary

The TESOL Foundation online certification program gives you a general guide to teaching ESL, with a focus on either teaching children or professionals. Methodologies of TESOL, TEFL, and ESL are explored, with focus on building the style of teaching that best suits your personality. Foundation programs include two certifications, [Advanced TESOL](#), plus either [TESOL for Children](#), or [TESOL for Business](#).

This course also includes an optional online TESOL internship where participants will be able to practice their teaching skills in a virtual environment.

## Program Objectives

### ↻ Objectives

- Examine the core knowledge of TESOL
- Create ESL lesson plans
- Assess and compare TESOL methods of teaching
- Facilitate successful communication in the TESOL classroom

## Goals Addressed

### ↻ Goals

- Correctly identifying methods and approaches to TESOL.
- Improvement of student achievement by creating a safe and shameless learning environment.
- Improvement of teacher confidence.
- Introduction to teaching ESL online.

## ↻ Competencies

- Consistently provide a classroom environment that is supportive to the latest trends of TESOL.
- Design and implement ESL lesson plans that reflect best teaching practices, and target student ESL learning needs.
- Demonstrate high expectations of all students learning.
- Monitor and assess student progress.

## ↻ Materials

The TESOL Foundation Program includes 3 eBooks, and consists of assignments and readings from Cambridge University *Teaching English to Speakers of Other Languages*, and either *Teaching English to Children*, or *Barron's ESL Guide to American Business English* textbooks. All materials are included in the tuition price

## TESOL Foundation

Online learning allows you to fit curriculum into a busy lifestyle.

TESOL certification issuance is based on successful completion of required assignments, lectures, quizzes, and thesis.

Upon completion participants receive two TESOL certifications, and optional job placement teaching English abroad to adults or children

Participants should have at-least a high school diploma, and be fluent in English. Internet access is required to complete online studies,

Access the [TESOL Virtual Learning Center](#) to interact live with American TESOL instructors, complete assignments, and view progress towards TESOL certification.
