Summary

American TESOL for Business online certification program gives you a general guide to the theoretical approaches of TESOL. Methodologies of TESOL, TEFL, and ESL are explored with focus on teaching business English. Topics covered include call center lesson plans, writing a business resume, and business plan presentation.

This course also includes an optional online TESOL internship where participants will be able to practice their teaching skills in a virtual environment.

Program Objectives

↻ Objectives

- Examine the core knowledge of TESOL
- Create ESL lesson plans
- Assess and compare TESOL methods of teaching
- Facilitate successful communication in the TESOL classroom

Goals Addressed

↻ Goals

- Correctly identifying methods and approaches to TESOL.
- Improvement of student achievement by creating a safe and shameless learning environment.
- Improvement of teacher confidence.
- Introduction to teaching ESL online.
